

## An Invitation to be Part of The Old Chigwellians' Business Register

The School and the Old Chigwellians would like to encourage business links amongst its former pupils by compiling a Business Register. We shall soon begin work on creating a handbook relating to the business occupations of Old Chigwellians. If this venture is successful, we wish to hold luncheons and other meetings to promote both the social and the business aspects of the Club. If you wish to join us in this venture please complete and return to us this form as indicated below.

*Please note, whilst some Old Chigwellians may have a traditional profession such as accountancy or medicine, most do not, and even in these professions there are many specialist fields. So please don't be put off if you feel that you and your work does not qualify – **it all does!** For example it would be very useful to be able to contact others in the same field such as those in the media, publishing or advertising, banking, farming, engineering, transport, the armed forces, etc.*
