## Summer Activities Courses in 2009

The 2009 Course will be held for two weeks during the Summer Holiday period. Boys and girls over the ages of 8 years will choose to take part in one main Core activity with the rest of the time spent on a multi activity sports programme. Some course members, however, may wish, subject to availability, to choose 2 core activities rather than take part in the multi activity programme.

In addition, there will be a general **Junior Mixed Activity** programme for children between the ages of **6 and 8 years** which will be run separately but alongside the main courses. Parents of children between 7 years 6 months and 8 years of age can choose either the mixed activity programme [J] OR if they believe they are old enough to cope with one of the main core activities and work with older children, they may choose one of these instead.

The courses are designed to give children of all ages a chance to enjoy the benefits of taking part in well structured activities in the beautiful surroundings and up-to-date facilities of Chigwell School. It is hoped that course members will have fun and make new friends whilst participating in worthwhile and possibly new activities.
